

Simmie Street Pedestrian Improvement Works

Improvement works are planned for Simmie Street, West Sunshine. The works will improve the safety and amenity of pedestrians walking to and from the Glengala Road shops and will include;

- traffic calming measures
- safe crossing points
- wider footpaths
- seating
- shade trees
- pocket park for the community to enjoy.

The location of a public toilet in this part of the shopping village is also being investigated.

This project is part of the West Sunshine 20 Minute Neighbourhood Pilot project.

Have your say:

We are seeking community feedback on the draft concept plan.
